

**Date:** April 9th 2024**PRESS RELEASE*****Apex Advanced Technology LLC, a subsidiary of Cadsys (India) Limited, appoints Independent Board Member***

Hyderabad, India, April 9th 2024 – [NSE-SME Code: CADSYS] – In pursuance of the Cadsys (India) Limited Materiality Policy and Regulation 30 of SEBI (Listing Obligations and disclosure requirements) 2015, we would like to inform NSE SME - EMERGE and the shareholders of Cadsys (India) Limited that Apex Advanced Technology LLC has welcomed Steve Woerner as Independent Board Member effective April 10th 2024.

Steve Woerner brings a wealth of experience and expertise across electric and gas utility industry. During his illustrious career he was selected for numerous executive, leadership and technical roles, encompassing responsibilities in engineering, customer service, operations, supply chain, information technology, emergency preparedness and construction management. His insights and leadership have been instrumental in corporate transformation, strategic planning, mergers and acquisitions and numerous other strategic areas.

Steve brings over 30 years of experience in the energy sector to his board role at Apex. Previously, he served as President, New England at National Grid (NGG), a global utility giant, where he led initiatives resulting in improved operational performance, customer satisfaction, and profitability. Prior to NGG, Steve held pivotal roles at Baltimore Gas and Electric (BGE), Constellation and Exelon, including President and Chief Operating Officer for BGE. During his tenure, BGE achieved peak performance in safety, reliability, and customer satisfaction.

Steve's expertise in leadership development and operational excellence makes him a valuable addition to Apex Board of Directors.

A passionate advocate for diversity, equity and inclusion (DEI), he has successfully mentored and nurtured a diverse cadre of leaders who now hold executive and senior executive positions in the industry. Steve holds a bachelor's degree in Electrical Engineering from Drexel University and a Master's degree in Business Administration from Loyola University Maryland.
